

# DPI / DMI

*"Putting the Pieces Together"*

Participants will gain a greater practical knowledge and understanding of the DPI and the DMI as tools for managing Case Base Funding in their respective services.

## **Course Highlights:**

- Basic Assessment– A practical approach to a 'Best Fit' assessment of the diverse mix of individual job seekers that will utilise support from your service outlet.
- The DPI – A hands-on look at why and how to accurately complete a DPI to meet participant needs and ensure DEWR compliance
- DMI Domains & Ratings - The how & why of a DMI and how it differs from a DPI
