

Ready or not ...

STEPS helps graduates with
a disability find employment

www.steps.net.au

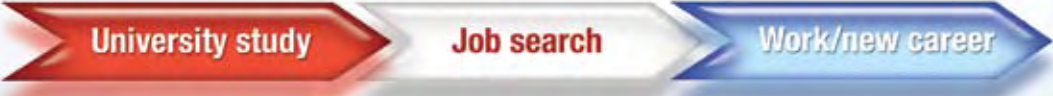

Right graduate ... right job!

Shortly you will enter or re-enter the world of work as a university graduate. There's the excitement of new beginnings, applying freshly acquired knowledge and reaching for career goals. But many must first negotiate a competitive job market.

This is where STEPS can help you.

With over 20 years experience of assisting people with a disability reach their potential, STEPS is ready to help you to achieve your employment goals.

STEPS' support to university students begins before you graduate, continues through job search and on-the-job.

Job search

Work/new career

STEPS Graduate Program supports you from study to work and beyond

- Providing information about corporate graduate programs
- Providing career planning and advice to identify suitable career paths
 - Identifying vacancies appropriate to your studies and interest
 - Assisting with resume writing and selection criteria
 - Advice on interviews and disability disclosure
 - Helping and supporting you settle into your new job

Your **Graduate Employment Coordinator** will work with you, one-on-one, to assist you from pre-graduation to employment and beyond.

All STEPS' services are **free** to suitable applicants.

Register today – it's easy!

STEPS Disability Qld Inc is a vibrant employment, community service and training organisation assisting people with a disability to become active and contributing members of their communities.

All people deserve opportunities to reach their potential. In 1989 STEPS was established with a focus of bringing self-esteem and quality of life to people with a disability through assisting them to attain gainful employment.

Now with branches throughout Queensland and the Northern Territory, STEPS has successfully placed many thousands of jobseekers with a disability into full-time, part-time and casual positions throughout Australia.
